

VINUM
CORP.

ABOUT US

At VINUM, we are driven by a passion for representing exceptional wines that reflect the heart and soul of the terroir. Founded in 2023 and born from a commitment to quality and sustainability, we are rooted in the belief that great wine begins with respect for nature, dedication to quality, and a focus on sustainability.

We carefully source our wine selection from remarkable, organically and biodynamically farmed vineyards, each chosen for its unique terroir and ability to produce wines that are as distinctive as they are expressive.

At VINUM, our loyalty to minimal-intervention winemaking ensures that each bottle showcases the true essence of the grapes and the pure expression of its origin.

Whether you're discovering our wines for the first time or returning to explore new releases, we invite you to join us on a journey of flavor and discovery, tasting wines that are as distinct and unforgettable as the people behind them.

OUR PHILOSOPHY AND MISSION

At the heart of every great wine lies a story—one that transcends the glass and invites discovery.

Our mission is to connect you with exceptional wines that embody the craftsmanship, passion, and legacy of the most celebrated vineyards.

Every bottle in our handpicked collection reflects a commitment to quality, diversity, and authenticity. By collaborating with trusted producers and fostering deep relationships across the wine world, we bring you wines that celebrate terroir, tradition, and innovation.

Whether you're a seasoned collector or exploring wine for the first time, we're here to make your journey seamless and inspiring. With a strong focus on sustainability and personalized service, we deliver an experience as refined and memorable as the wines themselves.

KIVEL
STADT
CELLARS

We believe wine, like life, is meant to be enjoyed with friends and food. At Kivelstadt we make honest wine from organic vineyards throughout California. Focusing on farming and minimalist winemaking, we craft wines that appeal to everyone, from casual to connoisseur.

ORGANICALLY FARMED

The quality of wine is deeply influenced by its vineyard source and farming practices. Organic methods promote biodiversity, vine health, and sustainability.

By respecting the planet, organic farming creates a lasting positive impact, beyond the wine itself.

MINIMAL INTERVENTION

We take a minimal-intervention approach in the winery, allowing our vineyards to express their unique terroir.

By avoiding intrusive winemaking techniques, we focus on native fermentations, minimal additions, and limited use of new oak to highlight the natural beauty of the vines.

VINE TO BOTTLE

We value craftsmanship and the power of real, hands-on work. While commercial techniques often prioritize cost over quality, we pride ourselves on creating unique wines that remain accessible to all without compromising on individuality.

MISSION

Jordan Kivelstadt established Kivelstadt Cellars in 2007, producing 125 cases of Syrah from his family's estate in Bennett Valley.

With over 15 years of global winemaking experience, Jordan has shaped the winery's mission, which is grounded in a deep respect for the land and sustainable viticulture. This commitment to both the environment and thoughtful winemaking practices is evident in every bottle we produce.

VINEYARDS

At Kivelstadt, we take great pride in sourcing grapes from distinctive, historic, and organic vineyards. From our estate vineyard in Bennett Valley to our trusted partners across California, our vineyard collaborators play a vital role in shaping the terroir of Kivelstadt, contributing to the exceptional diversity and character of our wines.

WINEMAKER

Winemaker Luke Nio, a Sonoma County native and 2011 graduate of UC Davis with a degree in Viticulture & Enology, brings a global perspective to his craft. After exploring winemaking around the world, Luke has found his home at Kivelstadt Cellars. His deep passion for showcasing both terroir and the true varietal characteristics of each grape allows him to create wines that are not only clean and age-worthy, but also reflect innovative techniques and rare varietals.

KIVELSTADT KC LABS CHARDONNAY NEVER OAKED

VINEYARD

The KC Labs Chardonnay from Bazzano Vineyard, situated just north of River Road near the town of Fulton, is crafted from hearty old Wente clone vines that are dry-farmed in the vineyard's rich, clay soils. These conditions contribute to a remarkable depth of fruit character.

The vineyard benefits from a robust canopy that helps moderate the hot afternoon temperatures, ensuring optimal acid retention and vibrant, expressive fruit notes.

WINEMAKING

Organically farmed in the heart of the Russian River Valley, this Chardonnay from Bazzano Vineyard is one of our final white harvests each year. Handpicked and whole-cluster pressed, it undergoes cold fermentation in stainless steel to retain its crisp purity. With full malolactic fermentation, no oak aging, and bottled unfiltered, it offers a fresh, vibrant expression of Chardonnay in its most natural form.

TASTING NOTES

The nose opens with delicate floral aromas, featuring white flowers and sun-kissed jasmine. On the palate, it offers a delightful blend of fresh pear tart, apple galette, and the irresistible essence of a "never-ending croissant."

WINE SPECIFICATIONS

Varietal Composition: 100% Chardonnay

Vineyard: Bazzano

Appellation: Russian River Valley

Aging: Cold fermentation in stainless steel - No oak aging

KIVELSTADT KC LABS ZINFANDEL

VINEYARD

Venturi Vineyard, located just north of Ukiah in the Calpella Valley, sits on prized Pinole gravelly loam soils—one of the most sought-after soil types in Mendocino County. Composed of sandstone, shale, and quartz, these well-drained soils were formed by alluvial flows, leaving fist-sized stones in their wake. With low organic matter and a mildly acidic pH, the soil promotes optimal nutrient absorption, allowing the dry-farmed vines to thrive. At 70 years old, this vineyard remains healthy and productive. The Zinfandel vines, planted in 1955, are head-trained and never irrigated. The vineyard is Certified Organic.

WINEMAKING

Crafted using 100% whole-cluster carbonic fermentation, the grapes were blanketed with CO₂ and kept at cool temperatures for 12 days. A single gentle pump-over was performed daily to maintain moisture and prevent aerobic bacteria, which can spoil the wine.

After pressing, the wine completed primary fermentation in barrel and aged for six months in neutral oak, finishing malolactic fermentation before bottling.

TASTING NOTES

This “Vin deSoif” Zinfandel offers an easy-drinking style with bright cranberry and raspberry notes, plus a hint of bubble gum and candy. It strikes a balance between rosé and red wine, with the low tannins and refreshing acidity of a rosé, but the vibrant color of a red. Open, pour, and enjoy!

WINE SPECIFICATIONS

Varietal Composition: 100% Zinfandel

Vineyard: Venturi

Appellation: Mendocino County

Aging: 6 months in Neutral oak

KIVELSTADT FAMILY SECRET SAUVIGNON BLANC

VINEYARD

At Lyon Vineyard, we believe that fostering a healthy, native ecosystem is the foundation for becoming successful grape growers. As the largest biodynamically farmed contiguous vineyard in Alexander Valley, we are committed to sustainability through practices like planting cover crops, cultivating bee gardens, implementing responsible husbandry, and minimizing water usage. Our old vine Sauvignon Blanc, planted in 1975 on nutrient-rich clay loam soils, truly embodies the power of age—producing wines with depth, character, and intensity.

WINEMAKING

This vibrant Sauvignon Blanc hails from the biodynamically farmed Lyon Vineyard in Alexander Valley—a partnership we’re proud to share with growers committed to environmental stewardship.

Harvested over two cool August mornings, the fruit benefited from an extended growing season, resulting in exceptional flavor concentration and balance. Grapes were whole-cluster pressed; half of the juice was fermented cold in stainless steel with malolactic fermentation intentionally suppressed, while the other half fermented in neutral French oak at ambient cellar temperatures, completing full malolactic fermentation. The two lots were thoughtfully blended and bottled.

TASTING NOTES

The nose opens with vibrant citrus and floral aromas. On the palate, the wine offers lively acidity and a refreshing mouthfeel, with flavors of Meyer lemon, Buddha’s Hand, and delicate white flowers. A subtle hint of barrel influence adds depth on the finish, bringing forth layers of stone fruit and a touch of tropical notes.

The finish lingers, leaving a lasting impression!

WINE SPECIFICATIONS

Varietal Composition: 100% Sauvignon Blanc

Vineyard: Lyon

Appellation: Alexander Valley

Aging: 5 months 50% stainless steel, 50% neutral French oak

KIVELSTADT
FATHER'S WATCH RED BLEND

VINEYARD

Venturi Vineyard, located just north of Ukiah in the Calpella Valley, is planted on fertile Pinole gravelly loam soils, highly regarded as one of the most desirable soil types in Mendocino County. The low organic matter and moderately acidic pH of these soils create optimal conditions for nutrient absorption, enabling the vines to flourish in a dry-farmed setting. At 70 years of age, the vineyard continues to be exceptionally healthy and productive. Certified Organic and never irrigated, it stands as a testament to the effectiveness of sustainable farming practices – Never irrigated.

WINEMAKING

The grape varieties were harvested and fermented separately using ambient yeast to maintain the unique characteristics of the vineyard. One-third of the grape clusters were added whole to the tank, while two-thirds were destemmed and placed in the tank without the stems. Fermentation was gently managed with minimal pump-overs to wet the cap, aiming for a delicate extraction of flavor and tannin.

This approach results in a blend of vibrant, high-toned flavors and rich aromas from the whole clusters. After fermentation, the wine aged for 10 months in neutral French oak, allowing the various components of the blend to come together in perfect harmony.

TASTING NOTES

This red blend offers a rich and opulent entry, followed by a vibrant, bright finish, thanks to the acidity from the Grenache and Carignane. It strikes a wonderful balance between fruit and earthy notes.

With its California origins, the fruit delivers an energizing drinking experience, showcasing distinct high-toned red fruit flavors, along with dried herbs and subtle spices.

WINE SPECIFICATIONS

Varietal Composition: 34% Grenache, 36% Syrah, 30% Carignane

Vineyard: Venturi

Appellation: Mendocino County

Aging: 10 months in neutral French oak

KIVELSTADT SIBLING RIVALRY ESTATE PINOT NOIR

VINEYARD

Kivelstadt Estate Vineyard, located in the Sonoma Valley AVA, sits 4.5 miles northwest of Glen Ellen on Goulding cobbly clay loam. This well-drained, shallow soil, formed from weathered metavolcanic material, is found in some of the world's top vineyards.

The rocky terrain ensures ideal water stress for the vines, promoting optimal grape production. With a 5 to 15 percent slope and a westward-facing aspect, this unique combination of soil and location makes the vineyard exceptional year after year.

WINEMAKING

The grapes are harvested overnight to keep them cool upon arrival at the winery. 35% of the Pinot Noir went into an open-top fermenter whole cluster, with the rest being de-stemmed. Fermentation occurred Naturally, with a maximum tank temperature of 85°F. After 12 days, the wine was pressed with minimal pump-overs. It was aged for 16 months in 20% new French oak and 80% neutral French oak before being bottled unfiltered.

TASTING NOTES

Cranberry, raspberry, bramble, and floral notes of snapdragon, thyme, and sage. The wine enters with elegance, minimal tannins, and natural acidity, leading to a long, flavorful finish. It showcases the potential of cool-climate California grapes from this unique vineyard location.

WINE SPECIFICATIONS

Varietal Composition: 100% Pinot Noir

Vineyard: Kivelstadt

Appellation: Sonoma Valley

Aging: 12 months - 20% new French oak Puncheon (500L) and 80% neutral French oak

TERAH
wine co.

Committed to farming beyond organic, we work in harmony with native ecosystems, integrate animals into the vineyard, and embrace low-intervention winemaking. The result is vibrant wines that express energy, authenticity, and a true sense of place.

RENEGERATIVE VITICULTURE

Going beyond organic farming, Terah nurtures biodiversity, integrates animals into the vineyard ecosystem, and works in harmony with the land to cultivate healthier soils and more expressive vines.

MINIMAL INTERVENTION

Guided by a hands-off philosophy, Terah allows each vineyard to speak for itself. Gentle, low-intervention techniques preserve the purity, vitality, and authentic character of the fruit, resulting in wines of remarkable energy and place.

DISTINCTIVE SENSE OF PLACE

Every Terah wine is a true reflection of its origin, capturing the character of the land with remarkable clarity. Through thoughtful farming and restrained winemaking, each bottle expresses freshness, vitality, and a profound sense of terroir, allowing the vineyard to shine in every glass.

MISSION

Terah Wine Co. is driven by a passion for crafting wines that faithfully express the land from which they come. Through regenerative farming, thoughtful vineyard partnerships, and a gentle, minimal-intervention approach in the winery, each bottle captures purity, vitality, and a genuine sense of place. Rooted in sustainability and tradition, Terah creates wines that inspire connection, celebrate provenance, and elevate every shared table.

VINEYARDS

Terah partners with small, independent growers committed to organic and biodynamic farming, sourcing exceptional fruit from thoughtfully tended vineyards. Blending classic varieties like Grenache and Syrah with distinctive grapes such as Barbera and Vermentino, Terah crafts wines that celebrate authenticity, diversity, and the unique character of each vineyard.

WINEMAKER

Terah Bajjalieh transformed her passion for travel, culture, and wine into a career dedicated to craftsmanship and authenticity. After gaining winemaking experience across renowned regions around the world and earning advanced qualifications in enology and viticulture, she founded Terah Wine Co. in 2020. Today, she creates expressive, minimal-intervention wines in partnership with small organic and biodynamic growers, celebrating the unique character of each vineyard.

TERAH VERMENTINO

VINEYARD

The Vermentino from Clements Hills captures the vibrant spirit of this Mediterranean variety, shaped by warm days and refreshing delta breezes. Sourced from the organically and biodynamically farmed Bench Vineyard, planted in 2012 and certified through CCOF and Demeter, this wine reflects a true connection to its land and sustainable vineyard practices.

WINEMAKING

Hand-harvested grapes are gently whole-cluster pressed and allowed to settle naturally before fermentation with native yeasts in stainless steel. Following malolactic fermentation, the wine is aged for five months in stainless steel to preserve freshness, purity, and varietal character. Unfined and unfiltered, it retains its natural expression and may show a delicate presence of sediment.

TASTING NOTES

A vibrant and refreshing expression of Vermentino, offering bright aromas of lemon leaf, grapefruit pith, and fresh fennel layered with a touch of tropical fruit. The palate reveals a textured, almost silky character, balanced by lively acidity and a distinctive saline minerality. Savory, crisp, and elegant, this food-friendly wine is a perfect companion for seafood, shellfish, burrata, and fresh Mediterranean-inspired dishes.

WINE SPECIFICATIONS

Varietal Composition: 100% Vermentino

Vineyard: The Bench

Appellation: Clements Hill

Aging: 5 months in stainless steel before bottling

TERAH VERDEJO

VINEYARD

Sourced from the pioneering Paicines Ranch in the Paicines Valley AVA, this Verdejo is grown using regenerative farming practices in CCOF-certified organic vineyards. Planted in 2017, the young vines produce vibrant fruit that captures the freshness and character of this exceptional site.

WINEMAKING

Hand-harvested at daybreak to preserve pristine freshness, the grapes were 100% destemmed and immediately pressed. The juice settled overnight before being racked into stainless steel for primary fermentation driven by native yeasts. Following native malolactic conversion, the wine matured in stainless steel for 5 months prior to bottling. It was kept unfinned and unfiltered to maintain its natural texture and integrity.

TASTING NOTES

Frequently celebrated for its vibrant, Sauvignon Blanc-style energy, this striking Verdejo opens with elegant aromas of white blossoms, fresh fennel fronds, and sun-ripened citrus. The palate delivers a beautiful interplay of crisp, driving acidity and unexpected structural weight. Far from ordinary, this bottle beautifully illustrates how pioneering, regenerative farming elevates a grape's true potential. It is the ultimate sunshine wine—refreshingly lively on its own, yet complex enough to elevate an array of cuisines.

WINE SPECIFICATIONS

Varietal Composition: 100% Verdejo
Vineyard: Paicines Ranch
Appellation: Paicines
Aging: 5 months in Stainless steel

TERAH CHILLABLE RED

VINEYARD

Nestled in the picturesque hills of Gilroy, Castro Valley Ranch is a true coastal gem shaped by abundant sunshine and cool breezes from Monterey Bay. This elevated, CCOF-certified organic vineyard benefits from pristine, gravelly loam soils left undisturbed for decades as historic ranchland and conserved forest. Here, premium Rhône varieties thrive alongside a unique block of skin-contact Falanghina from the esteemed Lost Slough Vineyard, yielding an exceptionally vibrant, terroir-driven blend.

WINEMAKING

Crafted to maximize depth, the Syrah and Grenache were co-fermented using 75% whole clusters to extract rich texture, color, and intense aromatics. Meanwhile, the Falanghina underwent a separate skin-contact fermentation to build additional structural complexity. Driven entirely by native yeasts and malolactic bacteria, the wines completed primary and malolactic fermentations before being racked. The lots aged for 10 months in a combination of barrel and stainless steel before final blending and bottling.

TASTING NOTES

This expressive blend bursts with vibrant red fruit, elegant floral aromatics, and a lively, refreshing acidity. Inviting notes of wild strawberry, tart cherry, and bright pomegranate give way to a graceful palate accented by rose petals, blood orange, and a touch of white pepper. Offering layers of silky texture and juicy freshness, this easy-drinking, chillable red concludes with a playful, energetic finish.

WINE SPECIFICATIONS

Varietal Composition: 53% Syrah, 17% Grenache, 30% Falanghina

Vineyard: Castro Valley Ranch

Appellation: California

Aging: 10 months in Stainless steel before being blended for bottling

TERAH
wine co.

TERAH SANGIOVESE

VINEYARD

Terah Sangiovese perfectly embodies its terroir while honoring the classic traits of this traditional Italian grape. The fruit originates from Lodi's Rivers Edge Vineyard; a site planted in 1995 along the Mokelumne River. Nestled within sandy loam soils, the vines benefit from a cooler microclimate shaped by both the river and Pacific Ocean breezes. The estate is farmed biodynamically and carries proud Demeter and CCOF organic certifications.

WINEMAKING

Crafted using 100% whole-cluster carbonic fermentation, the grapes were blanketed with CO₂ and kept at cool temperatures for 12 days. A single gentle pump-over was performed daily to maintain moisture and prevent aerobic bacteria, which can spoil the wine. After pressing, the wine completed primary fermentation in barrel and aged for six months in neutral oak, finishing malolactic fermentation before bottling.

TASTING NOTES

Vibrant and fresh, this medium-bodied Sangiovese opens with inviting aromas of ripe red cherries, strawberries, and anise, balanced by a refined, rustic charm. The palate reveals layers of juicy strawberry and red plum, grounded by a subtle earthiness. Balanced acidity and well-integrated tannins give the wine excellent structure, making it both sophisticated and highly approachable.

WINE SPECIFICATIONS

Varietal Composition: 100% Sangiovese
Vineyard: Rivers Edge
Appellation: Mokelumne River
Aging: 10 months in Neutral oak

TERAH RED BLEND

VINEYARD

Nestled in the picturesque hills of Gilroy, near the coastal influence of Watsonville, Castro Rey Ranch is a true gem among vineyards. Its unique terroir provides an ideal setting for Rhône varietals, allowing the vines to express the character and beauty of this special site. The growers are dedicated to farming this young, CCOF-certified organic vineyard with thoughtful, sustainable practices that respect the land and its natural ecosystem. Terah Red Blend is a vibrant reflection of this remarkable vineyard — a wine shaped by place, passion, and a deep commitment to quality.

WINEMAKING

Crafted with precision, each component of this red blend was fermented separately using native yeasts. The Syrah was 100% destemmed and skin-fermented, while the Grenache was left whole-cluster to maximize texture, rich color, and aromatic depth. Following malolactic conversion, the lots were racked to wood—aging 10 months in third-use puncheons and neutral barrels before final blending.

TASTING NOTES

The nose opens with an immediate bouquet of ripe blackberries and plums, accented by subtle floral notes and dark chocolate. As the most robust wine in the lineup, this medium-bodied blend features chewy tannins and excellent youthful balance.

WINE SPECIFICATIONS

Varietal Composition: 75% Syrah, 25% Grenache

Vineyard: Castro Valley Ranch

Appellation: Central Coast

Aging: 10 months in Neutral oak

TERAH BARBERA

VINEYARD

Shake Ridge Ranch Barbera beautifully highlights the immense potential of this Italian variety within California's diverse terroir. Situated in Sutter Creek within Amador County, this exceptional site is meticulously farmed by the renowned Ann Kraemer, who pairs rigorous organic principles with a premier growing environment. Perched at a 1,750-foot elevation, the vineyard features schist and loam soils, a southwest aspect, and a 15% slope that ensures ideal sun exposure.

WINEMAKING

Crafted using 100% whole-cluster carbonic fermentation, the grapes were blanketed with CO₂ and kept at cool temperatures for 12 days. A single gentle pump-over was performed daily to maintain moisture and prevent aerobic bacteria, which can spoil the wine. After pressing, the wine completed primary fermentation in barrel and aged for six months in neutral oak, finishing malolactic fermentation before bottling.

TASTING NOTES

Lifted aromas of blueberries and ripe strawberries mingle with intense florals, savory black pepper, and chalky minerality. The palate features chewy tannins balanced by loads of vibrant, mouthwatering acidity that keeps the wine remarkably lively. A touch of earthiness adds a layer of terroir-driven complexity, completing a beautifully structured profile built to age gracefully.

WINE SPECIFICATIONS

Varietal Composition: 100% Barbera
Vineyard: Shake Ridge Ranch
Appellation: Amador County
Aging: 6 months in Neutral oak

RECOGNITION & PRESS

**San Francisco
Chronicle**

Try this light, delightfully bitter red wine from a promising new Bay Area winery

By Esther Mobley, Senior Wine Critic / July 25, 2024

“The Terah Barbera — which comes from Shake Ridge Ranch, a venerable, high-elevation vineyard in Amador County — is one of several intriguing efforts from winemaker Terah Bajjalieh, who started Terah Wine Co. in 2020. In addition to Shake Ridge, she’s bought fruit from a series of acclaimed vineyards that many progressive California winemakers vie for access to, like Massa in Carmel Valley, Rorick in Calaveras County and Mokelumne Glen in Lodi.”

WINEENTHUSIAST

Future 40 Tastemakers 2024

By the Editors of Wine Enthusiast

The wine industry is evolving rapidly, driven by changing consumer preferences, climate challenges, and innovation. This year's featured honorees are helping shape the future of wine, spirits, beer, cider, and cannabis. To introduce them, each received an Instax camera to capture a personal glimpse of their world. We also asked them to share their perspectives on the future of wine—from climate change to artificial intelligence—and their insights offer a look at what's ahead.

The New York Times

10 California Wine Producers Worth Getting to Know Now

By Erick Asimov

These winemakers navigate a difficult world, often working day jobs and piecing together businesses on the margins. Somehow, they make great wine ... “I very much enjoyed her 2023 verdejo, from Paicines Ranch in San Benito County; a superb 23 falanghina from Clarksburg, made as an orange wine; and a spicy, savory 22 grenache from Besson Vineyard in Santa Clara Valley.”
